§26-5-3. Certified Animal Euthanasia Technicians Program.

3.1. The Board may formulate and administer programs to teach applicants the legal, safety and practical information necessary to perform the duties of a certified animal euthanasia technician. The Board may also approve programs sponsored by professional training organizations to provide the training for certified animal euthanasia technicians.

3.2. The administration of the program sponsored by a professional training organization shall be in accordance with the laws, rules, practices, policies, or procedures prescribed by the Board or its designees. The Certified Animal Euthanasia Technician Training Manual is incorporated by reference.

3.3. The Board shall annually appoint a minimum of 1 or a maximum of 2 board members who are veterinarians for the purpose of administering the practical skills examination to applicants for certification as an animal euthanasia technician, or may assign administration of the examination to a veterinarian or veterinarians licensed to practice in this state.

3.4. The Board member or members, or authorized veterinarian shall conduct the practical skills examination to determine the applicants' ability in meeting the requirements for animal euthanasia technology in the State of WV.

3.5. The Board member or members or authorized veterinarian who administer the practical examination shall determine failure or passing of the practical examination.

3.6. The Board shall offer the certified animal euthanasia technician training program and the written and practical skills examination at least once a year.

4.1. Jurisprudence examinations shall cover the laws governing animal euthanasia technology in the State of West Virginia.

4.2. Examinations are the property of the Board and shall not be duplicated in any form.

5.1. The Board shall issue a certificate to a qualified candidate who passes the examinations and meets the requirements of the Board to practice the profession of animal euthanasia technology and upon payment of the certification fee. If any certified animal euthanasia technician desires that a duplicate registration be issued, the Board shall issue a duplicate registration upon payment of the fee as set forth in the Schedule of Fees.

5.2. The certificate issued by the Board shall include the certificate holder’s full name, registration number, the Board seal, the effective date and the expiration date and shall bear the signatures of the Chairperson and Secretary-Treasurer of the Board.

6.1. The Board shall notify each certified animal euthanasia technician that his or her certification will expire on December 31 but failure to receive the notification does not exempt a certificate holder from meeting the requirements of this rule.

6.2 A certified animal euthanasia technician who desires to continue to be certified shall, starting October 1 through December 31 of each year, renew his or her certification by completing the required certification renewal, paying the annual renewal fee as specified in the Schedule of Fees, and certify to the Board that he or she has completed all continuing education requirements.

6.3. A certified animal euthanasia technician who desires to continue his or her certification in good standing to practice animal euthanasia technology shall undertake at least 6 (50 minute) units of Board approved continuing education units in the field of animal euthanasia technology during each calendar year. Classroom or online courses will be permitted. No periods may be accumulated, carried forward, or held over past the calendar year in which the hours of continuing education were completed.

6.4. The Board may provide a continuing education course annually for certified animal euthanasia technicians as specified in the Schedule of Fees.

6.5. Certificate holders are required to maintain original documents verifying the date and subject of the program or course, the number of continuing education hours or credits, and certification from an approved sponsor. Original documents must be maintained for a period of two years following renewal.

6.6. The Board may grant continuing education hardship extensions by request of the certificate holder. The Board shall only consider hardship extensions from certificate holders who the Board determines were prevented from completing the required continuing education hours within the year due to verified medical emergencies or military obligations beyond the certificate holder’s control. Requests for a hardship extension must be received in the Board’s office by December 15.
6.7. If an extension is granted by the Board for completion of approved continuing education hours, the technician shall file the renewal application with the renewal fee. The Board shall renew the certificate contingent upon the certificate holder completing the mandatory continuing education within a period determined by the Board from the current year’s expiration date of December 31.

6.8. The renewal certificate in hardship extension, shall be issued for the period required to complete the mandatory continuing education, and shall be extended to December 31 upon receipt of acceptable written documentation of completing the continuing education. The continuing education hours completed during the extension period shall not be applied toward satisfaction of continuing education in the year completed and shall be separate from continuing education requirements for current year renewals.

6.9. An animal euthanasia technician issued a hardship extension for completion of continuing education shall submit documentation of completion prior to the end of the Board approved extension period. Continued practice past the authorized extension period without a written renewal certificate from the Board constitutes the practice of animal euthanasia technology without a certificate.

6.10. Upon receipt of the completed renewal application and fee, the Board shall issue a renewal certificate bearing the number of the certification, the period for which the certification is renewed, and any other information the Board considers necessary.

6.11. Certifications issued by the Board shall be posted in a place conspicuous to the public at the establishment where animal euthanasia technology is being provided.

6.12. Certified animal euthanasia technicians shall notify the Board of any change of address, and forward the notice to the Board no later than the effective date of the change of address.

7.2. Recordkeeping requirements for approved chemical restraint drugs shall be identical to the recordkeeping requirements for animal euthanasia drugs.

8.1. The Board may deny, suspend or revoke a certification, impose a civil penalty, place a person’s certificate on probation, reprimand a certificate holder, refuse to examine an applicant or issue a certification or renew a certification, as provided by law and as provided by this rule if it finds an applicant or certificate holder:

8.3. On conviction of or determination of conviction of a person certified by the Board of a felony, the Board may, after an administrative hearing in which the facts of conviction are determined, suspend or revoke the person's certificate. The Board may not reinstate or reissue a certificate holder to a person whose certification is suspended or revoked under this section except on an express determination of the Board based on substantial evidence contained in an investigative report, indicating that the reinstatement or reissuance of the certificate holder is in the best interests of the public and of the person whose certification has been suspended or revoked.

8.4. If a person violates this rule in a manner that constitutes grounds for disciplinary action by the Board, the Board may assess the costs of the investigation, hearing, hearing examiner, legal fees, and all other reasonable and necessary costs incurred by or on behalf of the Board to the certificate holder who was the subject of the disciplinary action.
8.5. The Board may inspect an animal control facility, animal shelter or humane society which employs a certified animal euthanasia technician to determine if it complies with the requirements for possession, administration, purchase or storage of approved euthanasia solutions, or sedatives or tranquilizers for pre-euthanasia administration, as established by the Board.

§26-5-10. Storage.

10.1. The certified animal euthanasia technician shall maintain all controlled substances, sedatives and tranquilizers under his or her authority in a properly secure and locked storage container when the Certified Animal Euthanasia Technician is not in the same room with the drug.

Additionally, the Board may inspect a facility at any time for just cause after the Board determines that the facility meets the respective provisions for operation under this rule may it lawfully operate.

11.3. A registered animal euthanasia facility operating shall complete and file annually, on or before June 30, on a form approved by the Board, an annual animal euthanasia facility registration, and shall pay the animal euthanasia facility annual permit fee, as prescribed in the Schedule of Fees.

11.4. The Board shall not issue a renewal certificate to an animal euthanasia technician of an animal euthanasia facility that has not filed an annual facility registration, or that has refused to allow a representative of the Board to inspect the euthanasia facility during the facility’s regular business hours.

11.5. The Board may revoke or suspend a facility registration for not being in compliance with this Rule.

§26-5-12. Termination of Employment.

12.1. Certified animal euthanasia technicians who cease employment with the animal control facility or humane society listed on their DEA registration shall notify the Board in writing immediately, regardless of the reason.

§26-5-13. Criminal History Record Check.

13.1. Beginning July 1, 2018, and in addition to all of the requirements for certification, an applicant for an initial certification to practice as an animal euthanasia technician in West Virginia shall request and submit to the Board the results of a state and a national criminal history record check.

13.2. The purpose of the criminal history record check is to assist the Board in obtaining information that may relate to the applicant's fitness for certification.

13.3. In addition to the State Police, the Board may contract with and designate a company specializing in the services required by this section instead of requiring the applicant to apply directly to the West Virginia State Police or similar out-of-state agency for the criminal history records checks; provided, that any such company must utilize protocols consistent with standards established by the Federal Bureau of Investigation and the National Crime Prevention and Privacy Compact.
13.4. The applicant shall furnish to the State Police, or other organization designated by the Board, a full set of fingerprints and any additional information required to complete the criminal history record check.

13.5. The applicant is responsible for any fees required by the State Police, or other organization duly designated by the Board, for the actual costs of the fingerprinting and the actual costs of conducting a complete criminal history record check.

13.6. The Board may require the applicant to obtain a criminal history records check from a similar Board approved agency or organization in the state of the applicant's residence, if outside of West Virginia.

13.7. The applicant shall authorize the release of all records obtained by the criminal history record check to the Board.

13.8. A criminal history record check submitted in support of an application for certification must have been requested by the applicant no earlier than twelve (12) months immediately prior to the Board's receipt of the application for certification.

13.9. An initial certification application is not complete until the Board receives the results of a state and a national criminal history record check conducted by the State Police or another entity duly authorized by the Board. The Board shall not grant an application for certification submitted by any applicant who fails or refuses to submit the criminal history record check required by this section.

13.10. Should criminal offenses be reported on an applicant's criminal history record check, the board will consider the nature, severity, and recency of offenses, as well as rehabilitation and other factors on a case by case basis for certification. Criminal history record checks shall be verified by a source acceptable to the Board, other than the applicant.

13.11. The results of the state and national criminal history record check may not be released to or by a private entity except:

13.11.a. To the individual who is the subject of the criminal history record check;
